2nd Season of Pentasia Champions League® Reaches a Dramatic Climax  
*Thursday 4<sup>th</sup> June, 2009*

The second season of the Pentasia Champions League® reached a dramatic climax on Friday 29<sup>th</sup> May 2009 in a well attended and exciting final match to decide the League Division A title, held between arch rivals Betsson and Expekt FC.

Held at the St. Catherine's School football grounds in Pembroke, the match was a closely fought affair and as the final whistle blew, the teams found themselves at 2-2 after two goals apiece from Markus Klintborg and Lars Johansson.

Extra time ensued but neither side was able to break the deadlock despite a hatful of chances so the referee was forced to call for a penalty shootout. With the penalty count at 4-3, Niklas Joelsson of Expekt FC stepped up to score what proved to be the winning goal, his first of the season, and sent his team and supporters into rapture.

This result has crowned a fantastic season for Expekt FC who have ended the season as winners of both the League and Cup tournaments.

Earlier that same day, the third and fourth place playoff was played between Buz Dov and Betfair.com, ending in a convincing 7-2 win for Buz Dov.

Final standings for each category are as follows:

### **Division A**

2nd place – Betfair.com

### **Division B**

2<sup>nd</sup> place – Unibet Scandinaves

Pentasia Cup
